Zyxel DEL1312-T10B vs Dlink 2730 u
2019/07/07

I am using dlink 2730u for almost five years now, but the wireless coverage is very poor in far places from the modem, so I like to replace it for zyxel del 1312-T10B in order to get wireless coverage strongly throughout the house. So, is it worth to change the the modem with Zyxel DEL1312-T10B for solving the problem or not?? Please answer me simply and quickly.Thanks.
